Robert Burns 1759 - 1796

The greatest Scottish poet. He distilled from his country the purest and finest of poetry, which yet reads as if it were the folk music of a nation of geniuses. He is also a peasant poet, as well as a great world poet. With tenderness, with understanding, with simplicity, he depicts the life he knew. His fame grew from Scotland to England and then to the world, but it is Scotland which rightly claims him first.

Why aren't you watching, Mrs. Roy?

From Robert Burns We Draw an Inspiration

Ceud Mile Failte

We have chosen a Scottish theme, keeping with our motif, for this edition of the Hieland. In presenting our treatise, we have used quotations from Robert Burns' poetry. He, through his poems, exemplifies the kind of person many of us are . . . everybody's friend and our own worst enemy . . . thoughtful of others and careless of our own fate.

Ceud Mile Failte means, in Gaelic, "ten thousand welcomes." To you, our readers, we extend that sentiment. It is our fervent wish that life offers to each of you that greeting.

Moments to remember

Dedication

Have you ever heard the statement on the banner before? These words are the most commonly used around LHHS. The man who is summoned to the office by this call, is one of the best known people around the school campus. Ready to lend a helping hand to anyone who needs it, he is a very valuable asset to our school.

Jack on his way to night school.

Jack and his daughter relaxing.

Jack Rogers, Please Report to the Main Office

There is an old saying that goes like this: Jack of all trades and master of none. However, Jack Rogers is a "jack" of all trades and he is master of them all. If anything goes wrong, Jack is always here to help: moving chairs and scenery, picking up the papers that we, the students, drop, and doing a hundred other things that help to make life around here more pleasant. And so, we, the publications class, dedicate this, the 1958-59 Hieland to you, Jack Rogers, for your unceasing loyalty and cooperative help to the students of La Habra High School.

The poor deer, but lucky Jack!

Why so happy?

And just who are you calling?

Mr. and Mrs. Rogers on their way to a party.

Part of Jack's wonderful family.

The faculty and administration reflect with pride the accomplishments of our Highlanders as our fifth year comes to a close and we see the third senior class of La Habra High graduate.

The splendid record of our young men and women in college, universities, business and industry is tangible evidence of the spirit that still permeates LHHS. A tradition of academic achievement, constructive citizenship, clean competition, and strong moral-spiritual values exemplifies the standard set by history's Highlanders. We have always been proud of your choice of team-name, La Habra Highlanders, but your performances in 1958-59, as well as in the past years, has made this pride a living, progressing, dynamic reality.

To those who are graduating, we say "well done! And carry on and extend the pride and achievements of the Highlanders!", and to those returning we say "be a Highlander."

Our sincere best wishes!

All culminate in these two -

Miss LaRue Firman, Girls' PE teacher, started her undergraduate work at UCLA and followed it with a MA from the University of Iowa. Sandwiched into her 20 years of teaching in California was a very special interest in camping, Girl Scouts, recreation work, and the Red Cross. Her interest in professional organizations is shown in that she has been twice president of CAHPER, WNORC basketball chairman and still is very active in DGWS. She was a "running center" basketball star in college, and still enjoys golf and water skiing, IF she can run the boat for the skiers! Miss Firman loves blue, avacados and cinnamon, Western TV shows, LHHS, and is "mad" about her blue T-Bird. She dislikes raisins and pizza, and is not particularly enchanted with housework.

Besides having a passion for travel (even the driving), reading, and being an expert in leather craft work, this busy gal is recognized professionally as "top notch."

Miss Firman has been with the Girls' PE department from LHHS's beginning and the Highlander girls have come to look on her, not only as the person who is responsible for the advancement in the Girls' Physical Education program but as their "real friend."

The Seniors Favorite Teachers

A ready smile and a warm manner — these characteristics mark the favorite teacher of any students who are in his Civics classes, Mr. David Inglis. All Highlanders know that Mr. Inglis is THE TOPS.

Mr. Inglis came to LHHS with the very first classes. In those days he was head of Social Studies, English, Scotch Tape, Hieland and Student Activities. We, at La Habra High, must give full credit to Mr. Inglis for the progress made in these areas because it was his leadership that got us off to a fine start. At the present time he is Chairman of the Social Studies Department, his first love. Many students know Mr. Inglis as Camp Director at Camp Osceola. In the past three years he has directed the complete rebuilding of this YMCA camp.

On these two pages are pictured people to whom we all owe a great deal, the people that handle the business and maintenance of our campus.

The attendance office is always ready to listen to a good story and make some timely statement. The secretaries have always been ready to help us with our problems. Our school supply needs have been met in the bookstore. The nurse has taken care of everything from broken bones to sore feelings for us. The librarians have helped us find books we need and occasionally have hounded us to get them back. The ladies in the Snack Shack have always had something to satisfy our hunger, and the custodians have kept our blackboards clean and the floors polished.

Though sometimes it may seem that we do not appreciate you, we certainly do. The only words we can find to say is a simple, but heartfelt, "Thank You."

GOVERNMENT

Student Body President

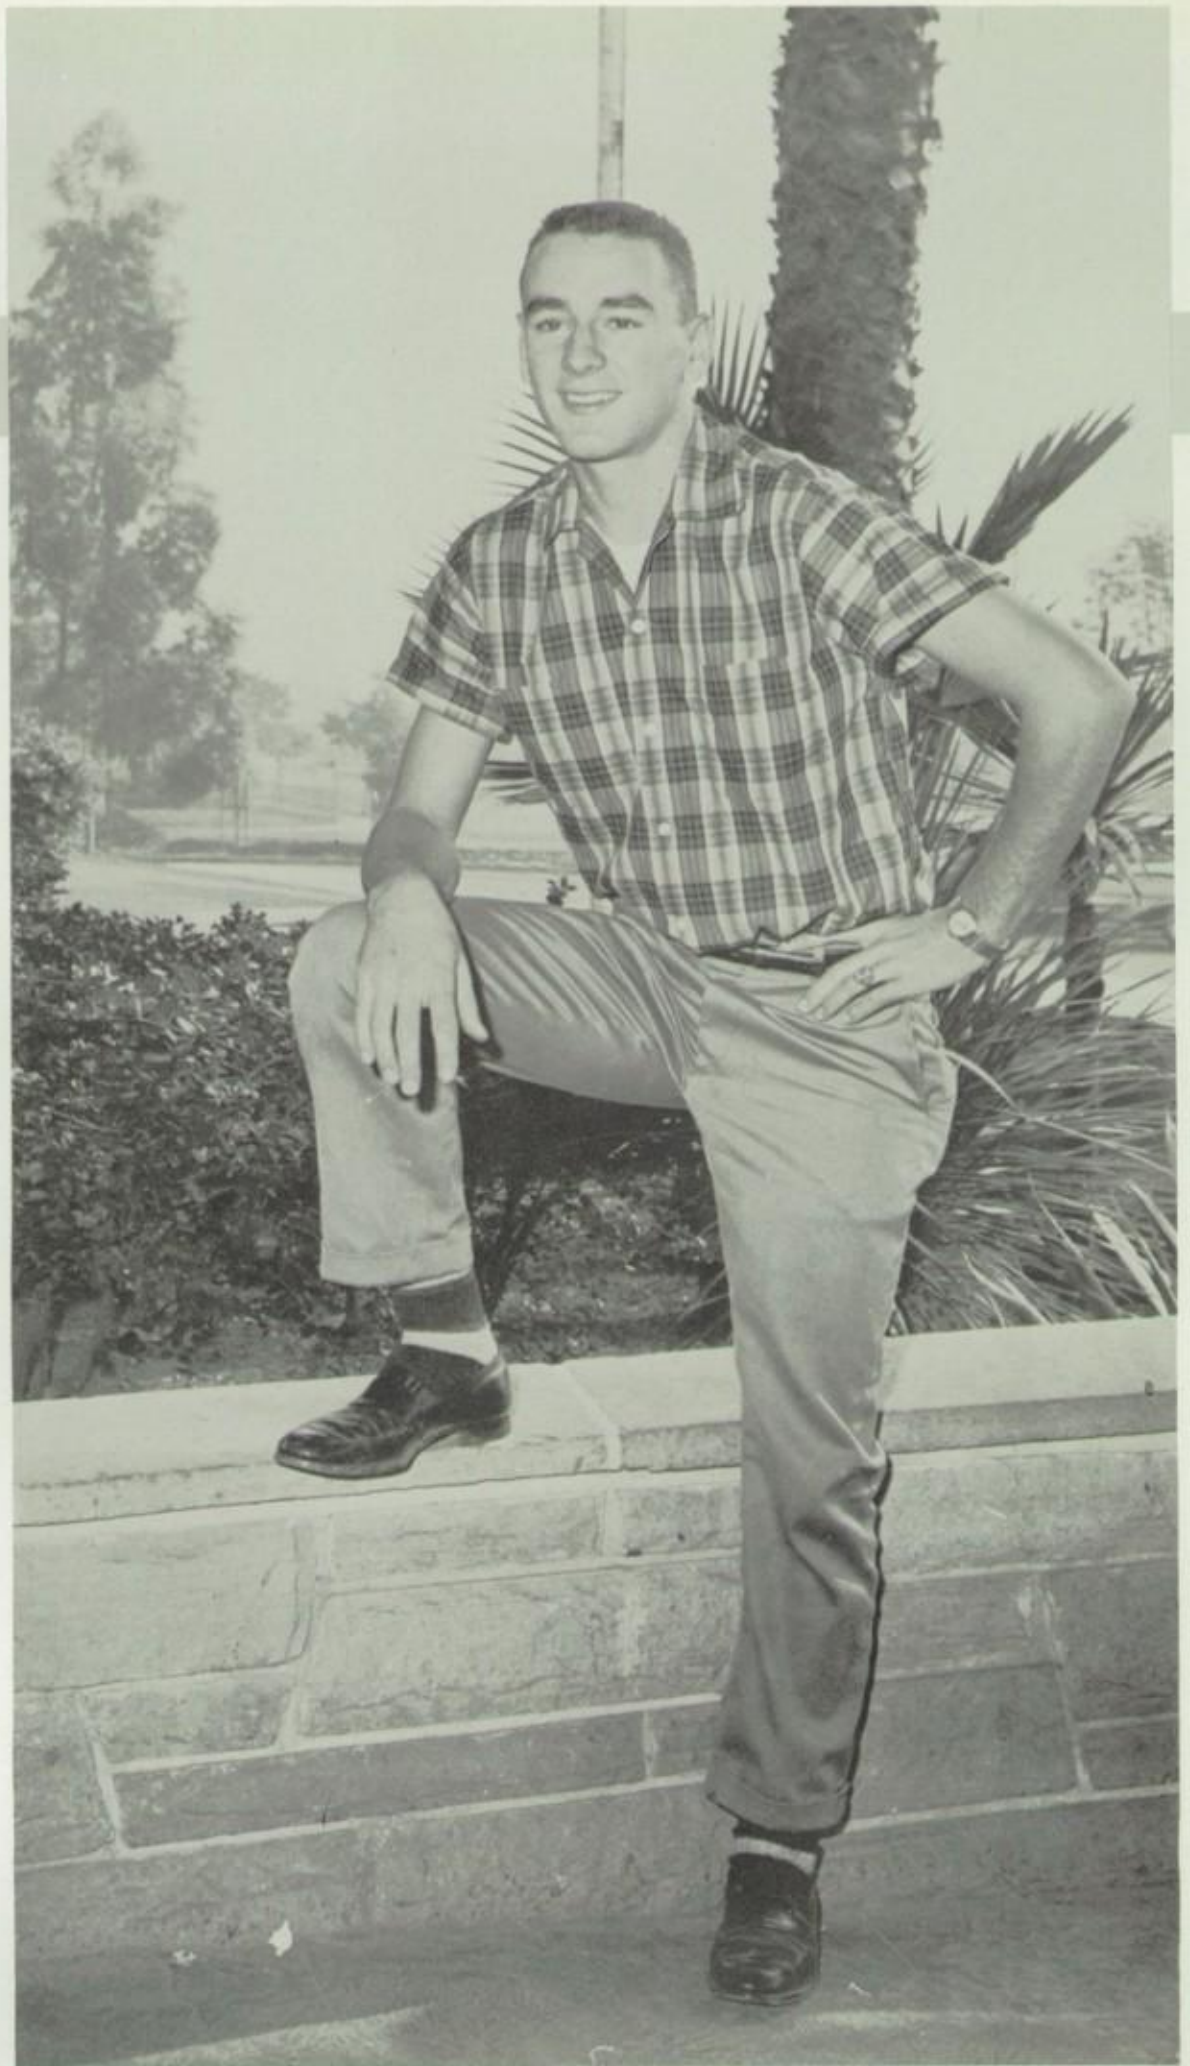

Part of George's work consisted of helping decorate for all-school affairs.

This picture exemplifies George's role as "head wheel" of the LHHS student body.

A really pleasant duty for George was that of escorting our lovely Homecoming Queen, Ann Underwood.

George Francisco

President George, elected at an all-school election has been, to put it in the vernacular, a very busy lad. A motto for his administration could be, "I exist but to serve you." Under his leadership, LHHS has grown in both spirit and tradition, not to mention the almost unbelievable record of a nearly perfect 100% number of student body cards. George is always ready to help decorate, plan and coordinate plans for a dance, a football rally, a "clean campus campaign" or the United Fund Drive. Not content with merely being Student Body President and a good student, George has been active in athletics, plus holding down a job in a local grocery store.

The 1958-59 cabinet did an excellent job of carrying out the executive end of all LHHS activities. Among the cabinet's successful projects were: the completion of the naming of the corridors and in collaboration with the Senate, the teen center in La Habra was organized.

The combined senate semesters of 1958-59 have accomplished a great deal. The Senate is the legislative branch of the LHHS student government. Its function is to pass laws for the good of the student body. Committees are set up for many different functions such as the year long clean campus campaign.

Such accomplishments as the Juke Box, Teen Center, Ethics Council and Student Day in La Habra were among them.

Slave and Amazon Days were created, a Highlander benefit sponsored and many more less spectacular accomplishments can be credited to them.

The senate also has the power to propose amendments to the Constitutional Convention. Group buying of Student Body Cards was one suggestion submitted.

Ethics Council

This is the first year of operation for the judicial branch of our student government. The Ethics Council, with representatives from each of the four LHHS classes, has served as a guide to better conduct and standards at La Habra high school.

Leadership

Leadership class includes most of the Cabinet and a few members of the Senior Class who work together in organizing and developing the school activities program. Many ideas for better spirit, clean campus, dances, assemblies, and athletic events for the benefit of the entire student body originate here.

The 1958-59 Leadership Class carried many successful projects to a fruitful conclusion. Highlander Concert, Christmas Ball, Foreign Exchange Student, Community Fund, City Government, Student Day, and many other programs authorized by or suggested by the Senate and Cabinet were supported.

Mr. Cliff Sjostrom
Director of Student Activities

Taking over for the first time this year, Mr. Sjostrom has been in complete charge of the student activities at LHHS. He has been the advisor for the Cabinet, Senate, has taught the Leadership Class, been in charge of concessions at games, seen to rooter busses, been at all school dances, games, and so on.

Good-naturedly taking a kidding from students and faculty alike, "Mr. Irving Money-bags" has indeed seen to our welfare. One would think that his duties would be over after urging us on to an absolutely fantastic percentage of student body card sales . . . but no! He has to superintend the spending of student body money — even to accounting to the state authorities and a CPA.

And so, our heartfelt thanks to you, Mr. Sjostrom, for doing so well for us a job full of headaches and so few tangible awards.

And who will ever forget those long days without the 10:10? Here Ned Constance, Mike Vaughn, Tommy Villelli and Judy Sime investigate the campus "report cards."

SENIORS

Class Of '59

PRESIDENT Steve Knott

CLASS HISTORY

In their four years at La Habra High school, the graduating class of 1959 has accomplished many notable achievements. As freshmen they won the annual playnight; as sophomores, the class sponsored the playnight for the seniors. During their junior year, they initiated action in the naming of the LHHS corridors and the buildings after historically famous places in Scotland to coincide with our La Habra Highlands; to wit: the swimming pool is called Loch Lomand. With their concentrated effort on this project the class succeeded in having the signs put up in their senior year. Also in their third year they had a successful shoe polish and air deodorizer sale.

Senior boys have made outstanding contributions in the sports field, bringing home many beautiful trophies. Speaking of trophies, the case was always filled to the brim with speech awards, many of them won by senior students. Along this same vein, the senior class play, "The Defiance of David Charles," was put on at professional level. Climaxing the 58-59 year was the fabulous senior class party celebrated in Hawaiian fashion.

CLASS ADVISORS

Mr. Fred Meier, Mr. Bob Ingersoll, Mrs. Myrtle Schneider,
Mr. David Inglis.

Once upon a time, there was a German girl, who had a very great dream, which was so great that she thought it would never become true. But there came a day when the miracle had happened and the girl was on her way to the United States — the dream had become true. I was this lucky girl: Dorothee Irene Schuls, with a name which I learned to appreciate in many varieties.

I think I am the busiest person in the world with going to school, that means shoveling all American Presidents in my brain and what else has happened during more than 200 years of American history, making desperate efforts in getting English grammar straight, being mad at the boys who always take the swimming pool during third class PE, making artful drawings, which would put me on first grade level, writing letters when others try to solve student body problems and finally alarm the whole La Habra Police Department to catch a reckless student driver, who is me—that's what I do at school. After letting the cars of some friends of mine eating up all gasoline while driving me home, I read all my numerous mail and disgusted that it would be too much to answer it I give up. That brings me to dinner time. After this I start to do the dishes voluntarily—because we have a nice little machine which takes this job over. After 8 o'clock I get a shock and start to do my homework which I will never be able to finish, because my poor blue eyes are so tired after reading my assignment sheet. I just make it to the bathroom to curl up my hair as a good American girl and fall asleep. If there should be any additional time by mistake I have many things I love to do: listening to classical music, read about early America, modern literature, art books, go for walks and pick oranges, see everything from modern American architecture to slums, museums to observatories, beaches to mountains, Mexico to San Francisco—I am busy. Most of all I like to talk to kids especially from La Habra and when I have to leave I'll say: Auf Wiedersehen, which means: see you again. You surely have given me one of the nicest years in my whole life—thank you so much and goodbye.

Always yours,
Dorothee

Class History

The junior class boomed with activity and tremendous spirit during the 1958-59 school year. They started things off by winning the student body card sale and the annual PTA membership drive. For their efforts in the student body card sale they won a playnight sponsored by the sophomores. The PTA prize was a check for \$50.

Food sales and other money making projects were part of the busy class schedule. Juniors were proud to have their class president appear on radio and television during the year.

Highlight of all the activities was the annual junior-senior prom. Much hard work and planning went into the gala affair, and the class of '60 presented one of the best LHHS proms.

Outstanding leadership and fine spirit has been demonstrated by the members of this class in all phases of school activities. Truly this was a successful year for the junior class at La Habra high school.

Great Class of Nineteen - Sixty ! !

MON REPOSE . . . by Eddie Johnson

This picture was put at the end of the Junior section for two reasons: one artistic and one symbolic. Here you have a victorious track man resting for another race, while the attention of the official's desk is glued on the contest now in progress.

And so it is with school. The Juniors have successfully run another race. But, the eyes of the world are focused on moving events, not past progress. This then, is your challenge: to run this last high school race like winners, and to never lose sight of the fact that every race won is just a prelude to the next race run!

Class History

Under the guidance of the class officers and advisors, the Sophomores have accomplished much this year. With the money left over from their Freshman year, and the school spirit and pride they have, the new Sophomores had a good foundation to build one of the most successful Sophomore classes of LHHS.

As you know, the Sophomores go in for doing the unusual and usually unexpected . . . for example, a dill pickle sale. They were, you might say, up to their wrists in pickle juice.

A very successful playnight was given to the Juniors and they had a dance (The Cotton Ball) for their own and their dates.

For all these events they had to have committees with wonderful chairmen to get everything going as it should. Committee chairmen were: Publicity, Dennis Carlston; Decorations: Betty Yates; Refreshments: Mike Orr and Ellen Jackson; Clean-up: Pat Steele; Sales: Karen Sparks; and Social Chairman: Arlene Tafoya.

As all Sophomore classes have in their future, they chose their class rings during the school year. They chose the El Dorado pattern, and will be the first class to have their own crest instead of the standard LHHS crest for the rings.

Class History

The freshman class officers and council, feel that much has been accomplished this year. This success has been due not only to the leaders of the class but everyone who is a part of it. But this is only the beginning. The freshmen class has merely started to accomplish their hopes and dreams. They feel there is still much more to be done. Even with the handicap of being new to LHHS they have added to the spirit and success of La Habra high school during 1958-59. The class officers have helped to lay a foundation and in the future can look proudly at what they have accomplished. In commenting on their activities this year the officers and council had this to say, "We wish not to list our individual achievements for we feel that they are, individually, insignificant; but we, at this time, wish to say but one thing: this is only the beginning, for there is much to come."

Purpose of the I.O.C., which is composed of campus club Presidents, is to coordinate student body and club activities and to provide a link between the Cabinet and the clubs.

The I.O.C. had a carnival to raise money for foreign exchange students, and they also made a club handbook as a guide to club officers for all activities.

Lambda Eta Sigma is the local chapter of the CSF. Its members are those with a 2.5 grade average, which means at least 3 A's and one B in solid subjects. One favorite activity of the CSF is the annual Ditch Day at the end of the year. The day starts with a visit to an educational point of interest and then is finished at the beach.

The picture at the left is of those seniors who have become life members by being in the CSF for 4 semesters in the Sophomore, Junior and Senior years. One semester must be during the Senior year.

Names below are this year's first semester CSF.

Art Club

To uphold the good name and traditions of LHHS, to strive for a better understanding and interest in Art, to further good relationship between campus organizations and student government; these are the purposes of the La Habra high school Art club.

The members of the club attended films and lectures, participated in sketching trips and worked on service and advertising projects.

Special mention should be given to Kathy Dietrick, club member who won the Los Compadres award in the art field. Also the members would like to thank Mr. William Henderson, for all the able help and advice he has given the club this past year.

F.T.A.

LHHS students, who are members of the Future Teachers of America club, have the unique privilege of going to the local grammar schools and observing the classes in action. This gives the members a chance to see in action the diverse duties of a teacher and a chance to practice these methods. The purpose of the club is to make this observation available to students as well as supplying information about the opportunities, wages, and necessary education needed in the different teaching fields.

Most of the members attended a conference at USC and went on numerous field trips. Also they helped several LHHS teachers with paper work and they learned the technique of different audio-visual aids to teaching.

Shown here is Mr. Piper, using one of any teacher's best aids, the demonstration. Wonder if they roasted hot dogs after class?

Sportscasting

The twenty-four members of the sportscasting club have been busy this year both learning about the sportscasting field and putting their knowledge into practice. Four of the members have done the commentating on all LHHS home sports events and have helped prepare the other members for this job in coming years. These boys will start out with Bee and Cee competition games and move into Varsity broadcasting eventually.

Field trips were made to a film production studio and to several professional sporting events.

Caledonians

The Caledonians have undertaken the job of assisting in the co-ordination of the Scottish theme throughout La Habra High School. Their projects for the year have included the naming of the corridors, suggesting names for school publications and forming a charter. Over all this club has seen to authenticity and tradition in any and all Scottish things carried out on campus.

Club members feel special recognition is due to their sponsor, Mrs. Ethel-Ann Fengler, LHHS English instructor who has devoted much of her time, effort and work not only to the Caledonians but to our Highlander Pipe band and many other campus activities.

This LHHS club was formed with the following purposes in mind. To promote interest in the field of nursing, to acquaint its members with the many fields of nursing available, and to help them choose the school of training best suited for each members' purpose. Also the club adequately provided information for the girls on the requirements for a nursing career.

To accomplish these worthwhile goals the members went on field trips to various hospitals and schools of nursing and worked on several service projects.

The purpose of this very active club is to encourage young people to participate in home, school and community activities that promote useful citizenship and patriotism. The La Habra high chapter is a division of the national FBLA. Most of the members are either majoring in business education or are taking courses in this field at school.

One of the outstanding activities included the very successful "Sweetheart Ball," which was sponsored by the club in February. Also many members attended a convention in Sacramento where awards and certificates were given.

F.F.A.

The purpose of the Future Farmers of America is to develop agriculture leadership and citizenship.

The LHHS club spent a busy year judging contests in livestock, poultry, horticulture and crops, sponsored by colleges in this area. They also presented a Parent-Son Banquet, a public speaking contest, and a parliamentary procedure contest. Some of the members of FFA showed animals at Orange County and Los Angeles County fairs and the Great Western Livestock Show in Los Angeles. Also they attended regional and state conventions.

La Habra is very proud of the FFA who won the trophy at the Orange Coast College Field Day, three years in succession. Because of their three time win the huge trophy now becomes a permanent property of La Habra high school.

Girls' League

Purpose of this organization is to enrich the lives of the girls in the La Habra high school student body, and to promote friendship and understanding between girls on the campus. All LHHS lassies are members of our Girls' League.

At the beginning of the school year they sponsored the annual Big and Little Sister Party and at Christmas organized a grab bag project to raise money for coming activities. The Father-Daughter Banquet was held in April and the Girls' League sponsored four assemblies for members throughout the year.

Miss Brown, Mrs. Fengler and Mr. Dunton are shown here performing for the Girls' League Christmas assembly. Remember Mrs. Templeman's "Easy Lessons for Quick Piano Players."

Graphic Arts

This club's purpose to to further publicize the American word and to take field trips to places of interest to club members.

They had several fund raising projects during the year to obtain money for the trips. Some of the sales were selling snow-cones, popcorn, etc. at home football and basketball games. Most of the members of the club are taking the course in Graphic Arts offered in the LHHS school curriculum.

The International Relations Club of LHHS is under the auspices of the National District of International Relations. The constitution coincides with the district office.

Purpose of the club is its name: to promote good will and international relationships. Many of the members will make a trip to Europe this summer under the supervision of Mrs. Lydia Templeman, and Mr. Robert Ingersoll, club sponsors. Several bicycle conditioning trips have been made this year in preparation for the summer junket. They attended many of the Fullerton JC Public Forum programs, and attended a showing of the motion picture, "Around The World in Eighty Days."

Hi-Y

Have you seen all those newly painted trash cans on campus? Well that was just one of the many activities that kept our LHHS Hi-Y club busy this year. Other activities were selling Christmas trees, going to the YMCA work camp at Osceola, to the Salton Sea and sponsoring an Americanism assembly.

Purpose of this club, a division of the worldwide YMCA groups, is to be of service to the La Habra community and the high school.

Key Club

The Key Club is an International Organization which resembles and is governed by the Kiwanis International Club. La Habra High's Key Club is sponsored by the Kiwanis Club of La Habra.

This club's goal is to serve La Habra High through the student body, PTA, and faculty of LHHS. Members of this club must have good citizenship and academic grades before being voted into the club.

Some of the service activities performed this year were serving at home football games, and they acted as guides at the "Back to School Night." They also helped in several fund drives, and attended a convention.

Johnny added another slant to the international flavor generated by the Spanish Club. Hailing from Iran, he spent the first semester at LHHS.

El Circulo De Espanol

The purpose of the LHHS Spanish Club is to promote cultural activities and sponsor social activities.

This past year they had many activities; among them were the Spanish Pinata party, a playnight, various food sales, trips, and movies. They also had interesting programs at their meetings.

Societas Romana

Purpose of the LHHS Latin club is to promote interest in Latin and to encourage learning. The club sponsored a Latin Banquet, a playnight held in February and several fund raising projects throughout the school year. A convention was held in Stockton, at which the La Habra Latin club was represented. Club meetings were held every other Monday during the noon period.

Thespians and Tam O'Shanter

The Tam O'Shanter Troupers and the local chapter of the National Thespian Society held joint meetings and had joint officers this year. Purpose of the clubs is to advance standards of excellence in dramatic arts. In carrying this out they put on two full length plays, a "Mr. Esquire" variety show, and a series of one-act plays. Drama workshops and regular meetings were held every month and the year's activities were climaxed by the annual Speech and Drama awards banquet.

Frosh - Soph Y - Teens

There is a three-fold purpose in the Y-teen clubs throughout the world. First the members hope to grow as persons, they also strive to grow in friendship with peoples of all races, creeds and nationalities. Their third important purpose is to grow in love and knowledge of God.

The freshman-sophomore club at La Habra high school held many interesting meetings this year as well as activities. A hayride, a weekend snow trip, a fashion show and a recognition service are just some of the doings of the club this year.

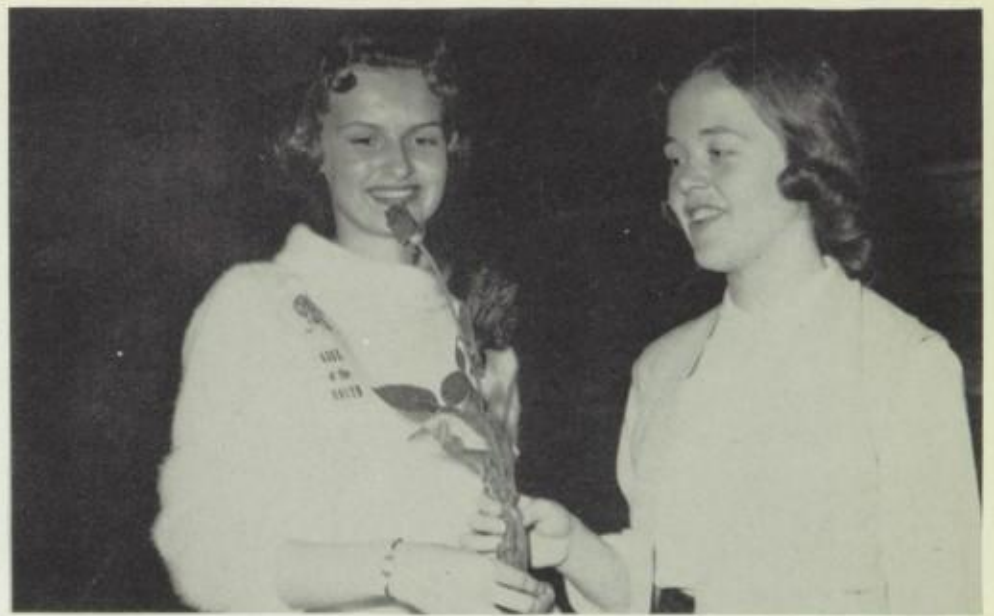

Back row: Sue Connely, Paula Landers, Linda Garrard, Linda Garceau, Susan Sheely, Barbie Walker, Jeanne Henry, Donna Byerrum, Sandy Hobson, Sandy Samarin, Betty Yates, Carol Hartsock, Gail Temple, Bonnie Mercer, Diane Choate, Joyce McCarthy, Mary Beth Cochran, Nancy Ny, Judy Dick, Deotta Harper, Sue Raper. **Third row:** Fredi Frost, Cindy Lewis, Karen Voris, Jan Erlenmeyer, Ann McMahon, Darla Patrick, Kathy Voss, Glenda Butler, Sharon Eddy, Jacky Cothran, Nancy Briggs, Julie Shedd, Susie Jones, Penny Proud, Sharlene Witman, Sandy Jones. **Second row:** Paula Long, Judy Kirkendal, Janette Morgan, Judy Wiggs, Carol Klusmeyer, Barbara Beebower, Carol Scott, Rose Poblner, Christine Imhoff, Kathy Harris, Sherry Smith, Judy Proudfoot. **Front row:** Candy Howe, Marilyn Thayer, Leah Renin, Bobbie Wagner, Pat Caffey, Linda Warren, Gloria Schook, Karen Sparks, Betty Johnson, Sue Sommerfield, Marilynne Wilson, Frances Berg, Pam Banks, Ruby Patton, Linda Urbina, Carole Grable, Helen Beety, Diane Hansen, Carol Lassitor.

Jr. Sr. Y - Teens

The Junior-Senior Y-teens have had many activities this year. They started this year off with a membership Bar BQ in the city park, and at Christmas time they went caroling. In March they had a fashion show — Shamrick Capers — this was the big event of the year. It was given entirely by the Y-teens, and the local shops provided the clothes.

Meetings were held on a Monday night once a month at the Methodist Church. Here they heard many interesting speakers, saw movies, and planned their activities.

Although the "Girl of the Month" was not a Y-Teen project, it, too, was based on service . . . to school, self and community.

So Carry High La Habra's Name -

Carolyn Cochran, head yell leader; Eric Palm, Kaaren Joyner, Bob Dudek, Trina Dawson.

Yell Leaders

This year's peppy five created lots of enthusiasm and school spirit, supporting the teams throughout the year. They introduced novel yells designed to amuse the cheering section. Class competition yells were a major event at noon pep rallies under the direction of the yell leaders.

Let's go, big team, let's go!

Pep and enthusiasm clearly show in these yell leaders' expressions.

Yea blue, yea white, yea team, fight, fight!

Win or Lose Our Pride Remains

Song leaders adding spirit and enthusiasm to the Anaheim-La Habra game.

Kicking away together . . .

Noon pep rallies were a favorite spot for the song leaders.

Song Leaders

These four vivacious song leaders were an important attraction at major sports events. The girls worked many hours perfecting their clever steps and keeping the spirited crowd together in their singing.

Stevie Strasser, Wendy Thayer, head song leader; Sharleen Johnson, Janet Harris.

Pep Assemblies

Held each Friday at noon, the pep assemblies were a highlight to the student body. Class competition yells and clever stunts, plus cheery songs drew the students into Stirling Gym and the Highlander stadium.

Flag Twirlers

The Flag Twirlers entertained crowds at parades and games with their cute capers and clever routines. Serving this year, were, left to right, Kathy Barron, head flagtwirler; Linda Woodward, Jolean Anderson, Susan Resseque, Cindy Hoffman, and Patti Wagner.

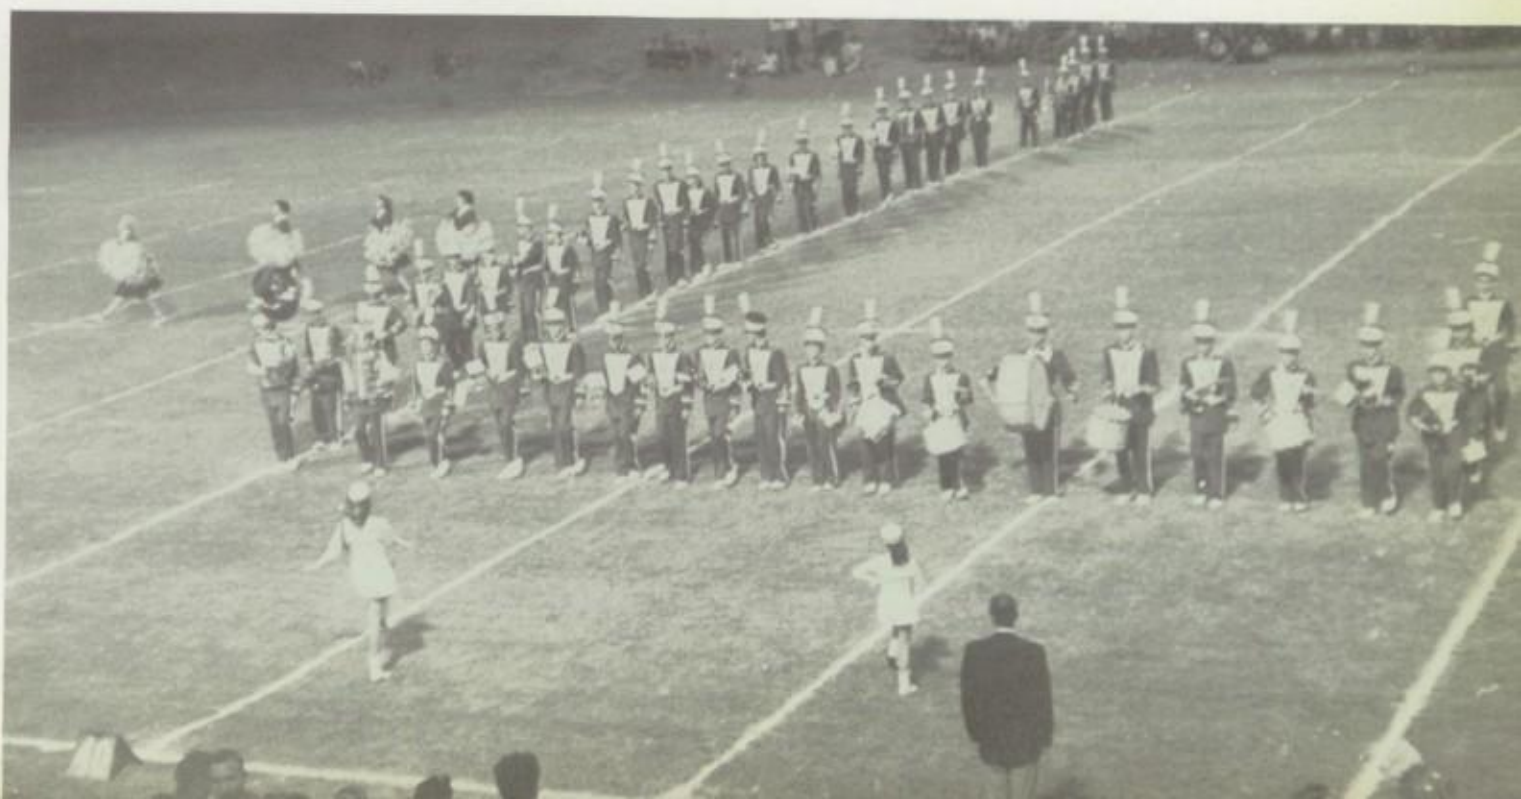

Majorettes

The majorettes, excelling in both beauty and talent, led the band in vim and vigor. Their expert twirling was an added attraction to the spectators. Left to right are Janice Duncan, Roni Claflin, and Sharyn Thomas.

Half-time Shows

The half-time shows were a delight to the students and parents alike. The band, drill team, majorettes and flag twirlers all added color and excitement to the performance.

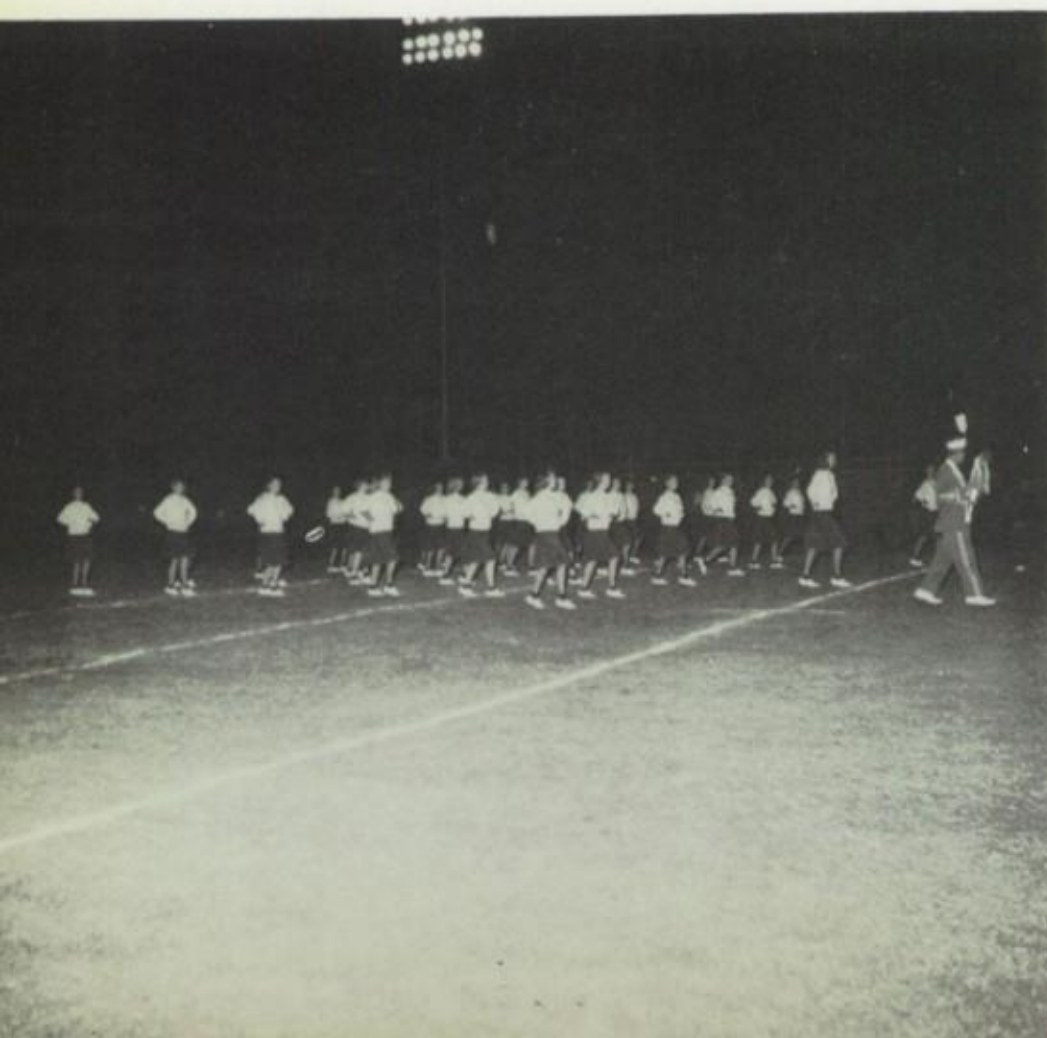

Standing: Linna Shadwick, Tani Janes, Sharlene Eubank, Susan Felnagle. **Back row:** Kathy Ellis, Marilyn Ball, Joyce Baker, Paula Landers, Lynda Stone, Lana Neece, Deotta Harper, Frances Daar, Marilyn Manning, Pam Shedd, Roxie Bookbout, Judy Woodward. **Front row:** Betty Yates, Pat Stanford, Judy Hamic, Janice Glenn, Judy Fisher, Maggie Kriesant, Judy Tipton, Peggy O'Neal, Nona Kaylor, Merrylee Gough, Evelyn Bender, Marilyn Baldwin, Sharon Thomas, Sue Wilson, Carol Fodar.

Drill Team

The drill team added beauty and showmanship to the halftime performances.

Vivacious co-captains Nona Kaylor and Peggy O'Neal led the drill team through a very eventful year.

Another first for LHHS was the drill team. Dressed in white sweaters and traditional Stewart plaid skirts, they brought welcome color to the half times. More recognition was brought to LHHS by their marching in the Buena Park Silverado Days Parade, the Huntington Park Christmas Parade, and the Whittier College Homecoming Parade. Their clever steps and routines were a delight to the crowds.

Pep Club

And the stands go wild as the Clansmen garner another touchdown. The Pep Club, open to anybody in school, was a terrific impetus to the school spirit.

Under the direction of the Pep Club the noon assemblies, held either in the Snack Shack area or Sterling Gym, were a great success. The Pep Band is shown here in the act of playing the Alma Mater.

Bee and Cee yell leaders Kay Banasky, Gloria Schook, and Candy Howell, elected by the Pep Club, added pep and enthusiasm at the Bee and Cee games. They led yells and kept the spirited audience amused throughout the games. The energetic girls worked long and hard perfecting their cheers.

The Bagpipers were enthusiastically welcomed at all home football games.

Bagpipers

One of the most exciting groups on campus were the Bagpipers. In their colorful Scotch kilts they truly carried out the Highlander theme to its fullest extent. Because of their skill on the bagpipes they were in demand for public concerts throughout Southern California. Appearing twice on the "Spotlight on Youth" television show, in parades and at public and private functions, they brought recognition and praise to LHHS.

Mr. Pray is shown here telling the KTTV audience about the Scotch theme at La Habra. This picture was taken during the actual broadcast.

String Ensemble

The eleven members of the La Habra high school string ensemble have been busy this year advancing their abilities in the music field.

The group has played for the local Parent Teachers Association meetings and as a special part of the program they visited the music classes at Lowell and Washington grammar schools. The purpose in doing this was to acquaint the students who will be incoming freshman with the string ensemble at LHHS and their music program.

Dale Kesey, Betty Hansen, Marilyn Van Gompel, Tom Roeck, Kent Richardson, Cathy Inglis, Michele Mackay, Diane Parreys, Joanne Street, Gay Batchelder, Barbara Beebower.

There are 85 girls in Girls' Glee this year, making this the largest class at LHHS.

They have worked long and hard on many songs until they have a large enough selection to be able to sing on short notice.

They sang several numbers for the Christmas assembly and a group from the class sang at the local Women's Club. As a part of their class grade each student must sing either a solo, duet or trio number.

Mixed Chorus

The mixed chorus sings for local civic groups, school programs, music festivals, for their spring concert, baccalaureate and graduation ceremonies.

Many of the students within the chorus perform for requested programs in the form of solo and ensemble numbers.

The only way you may become a member of this group is through try-out sessions. Students in the mixed chorus are required to attend all performances in order to receive a satisfactory grade.

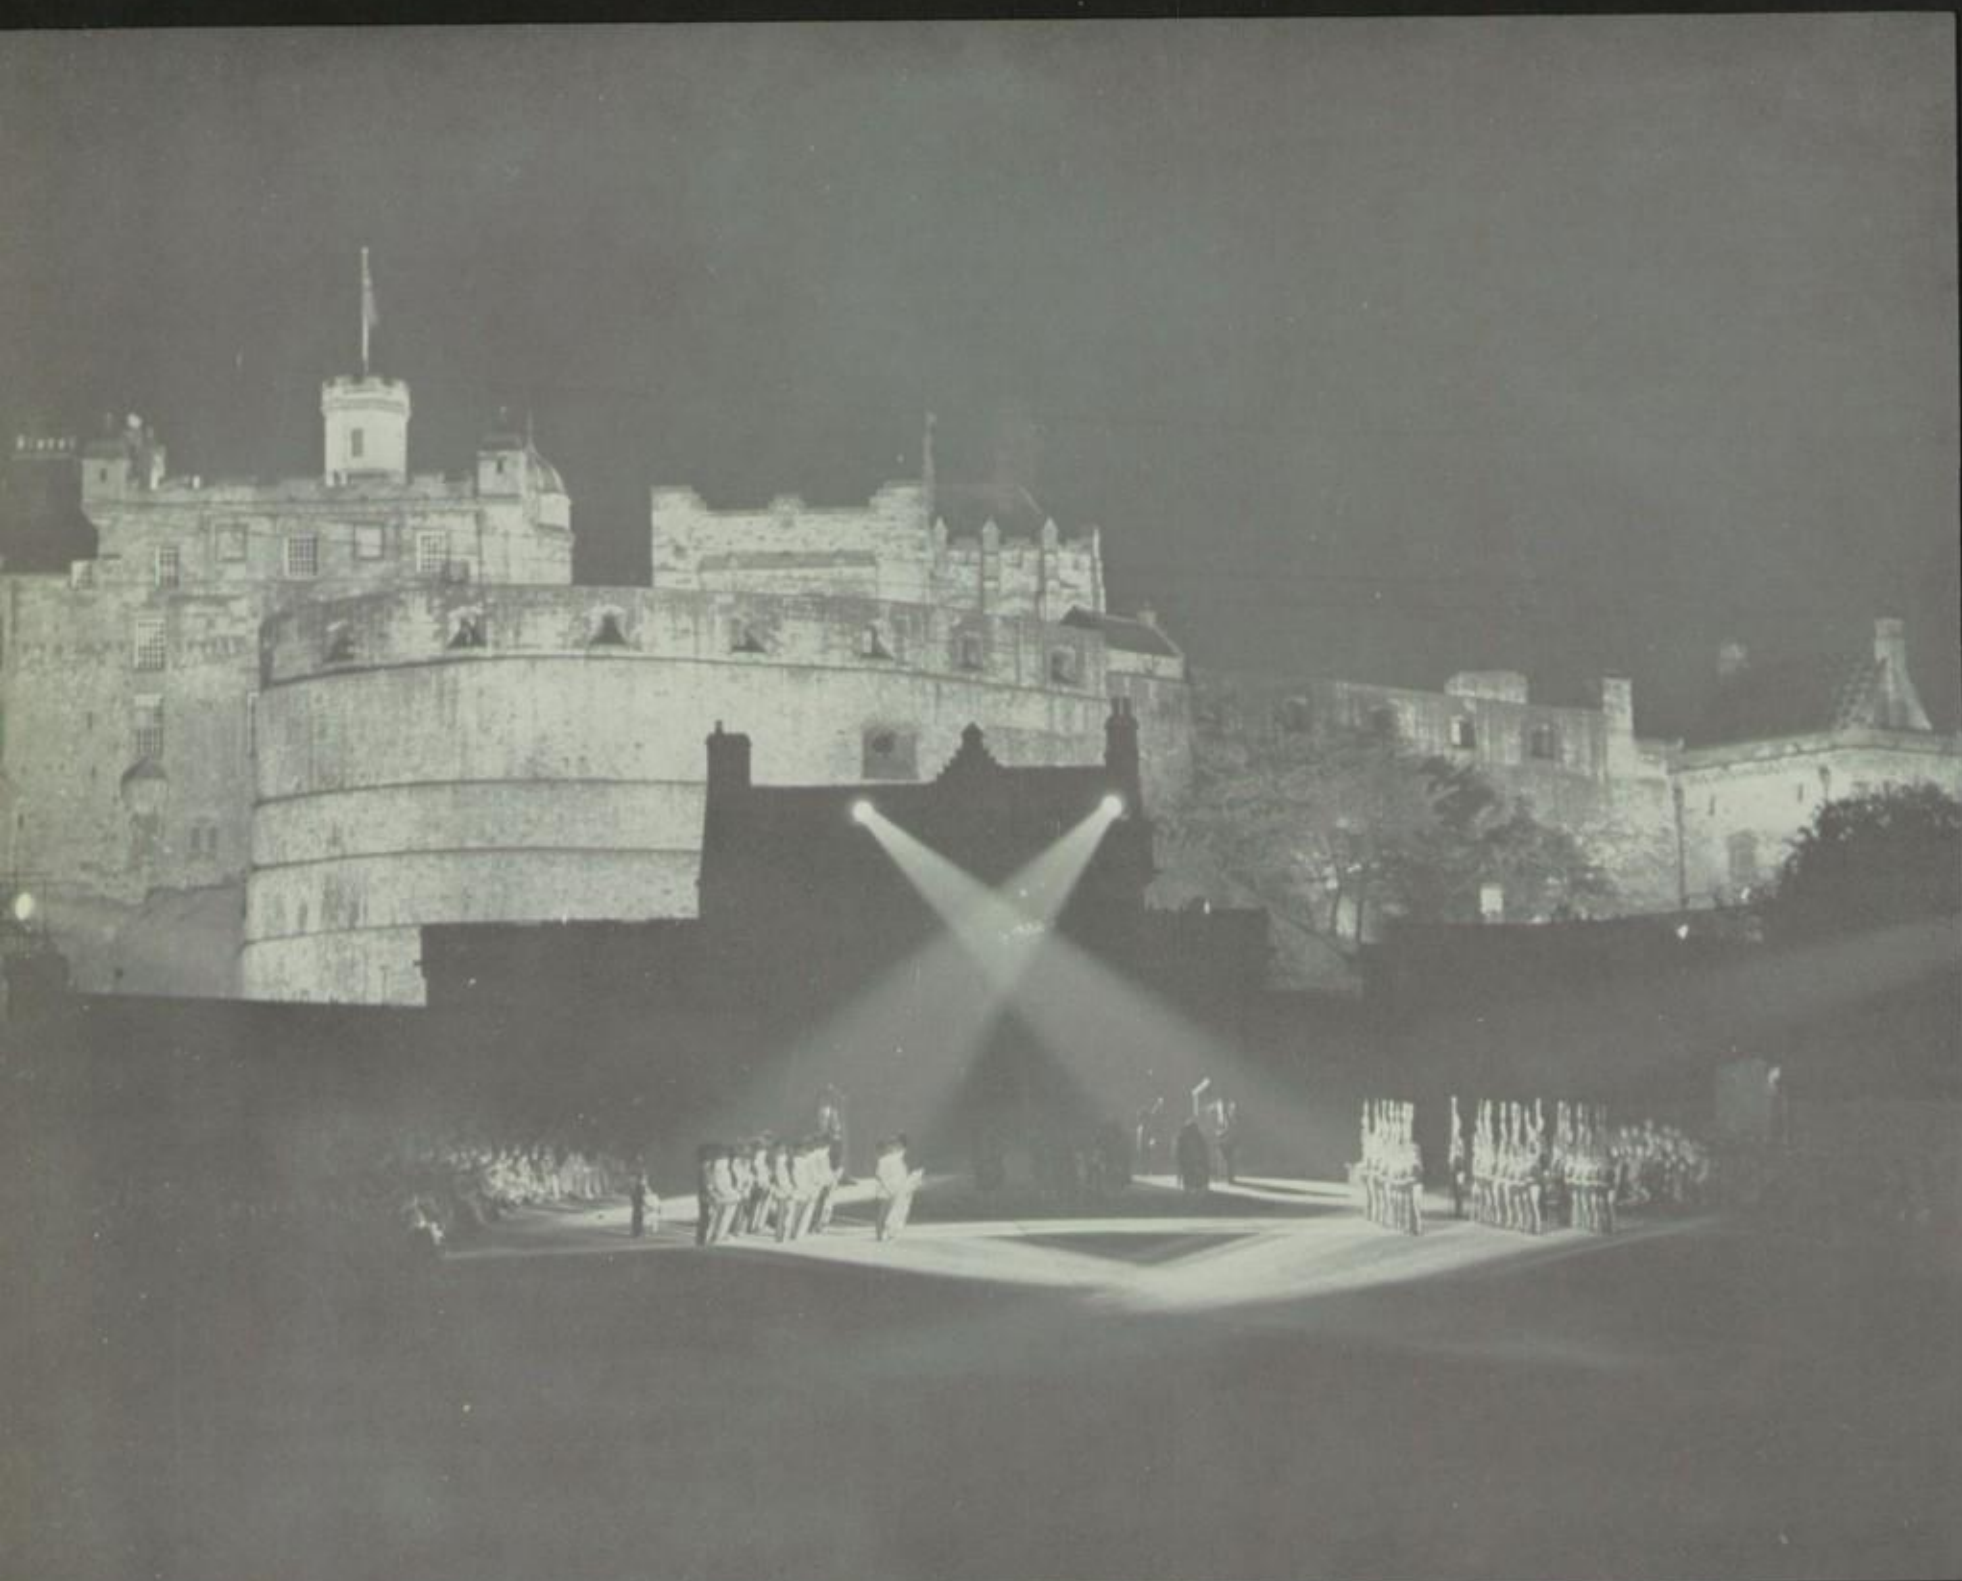

Bob Weber, Johnny Curb, Wayne Brown, Ron Emrich, Bart Esterely, Dan Costales, Ron Wagner, Max Goodrich. **Not pictured:** Jerry Ellis, Bob Ellis, Butch Gilmore, Ron Nishio, Bill Scott, Ken Senne, Dave Wallis.

Probably the most "school-minded" of any of the LHHS music groups, these boys gave up their own free time to provide music for both home and out-of-town games, and for the pep rallies held here at LHHS.

Dances Supreme

This page is for memories . . . memories of the wonderful "extra" all-school dances held here at LHHS.

Thanksgiving saw the "Turkey Trot." Dancing in an atmosphere of corn stalks and pumpkins, the Clan also had a chance at door prizes . . . first prize, a real, live, breathing and completely feathered turkey . . . the booby prize: a can of cranberry sauce!

Then in January was the "Beachcomber's Ball." The Girls' League put on this one, with starfish, nets and a salty atmosphere. Those in attendance came attired in beach clothes . . . bermudas, capris, peggars and thongs.

Along came the FBLA with their "Sweetheart Ball," just before Valentine's Day. This formal was "sweetheartish" to the end . . . with decorations of white and red hearts and streamers designed to give Stirling Gym that "Be My Valentine" look.

These three dances, along with the student body dances (Homecoming, the Christmas Formal and the Highland Fling), plus the dances put on by the separate clubs and classes, including the Prom, are designed to give the Clan a chance to show their social graces, ingenuity and a time and place to have plain fun.

Special thanks go to Mr. Hawkins, who saw to little things like guest cards, student body cards and the like, and Mr. Sjostrom for that always full punch bowl.

Many couples danced to the exciting music of Dick Harding and the All-Stars.

People worked long and hard to make the dance a success.

"The Snowball"

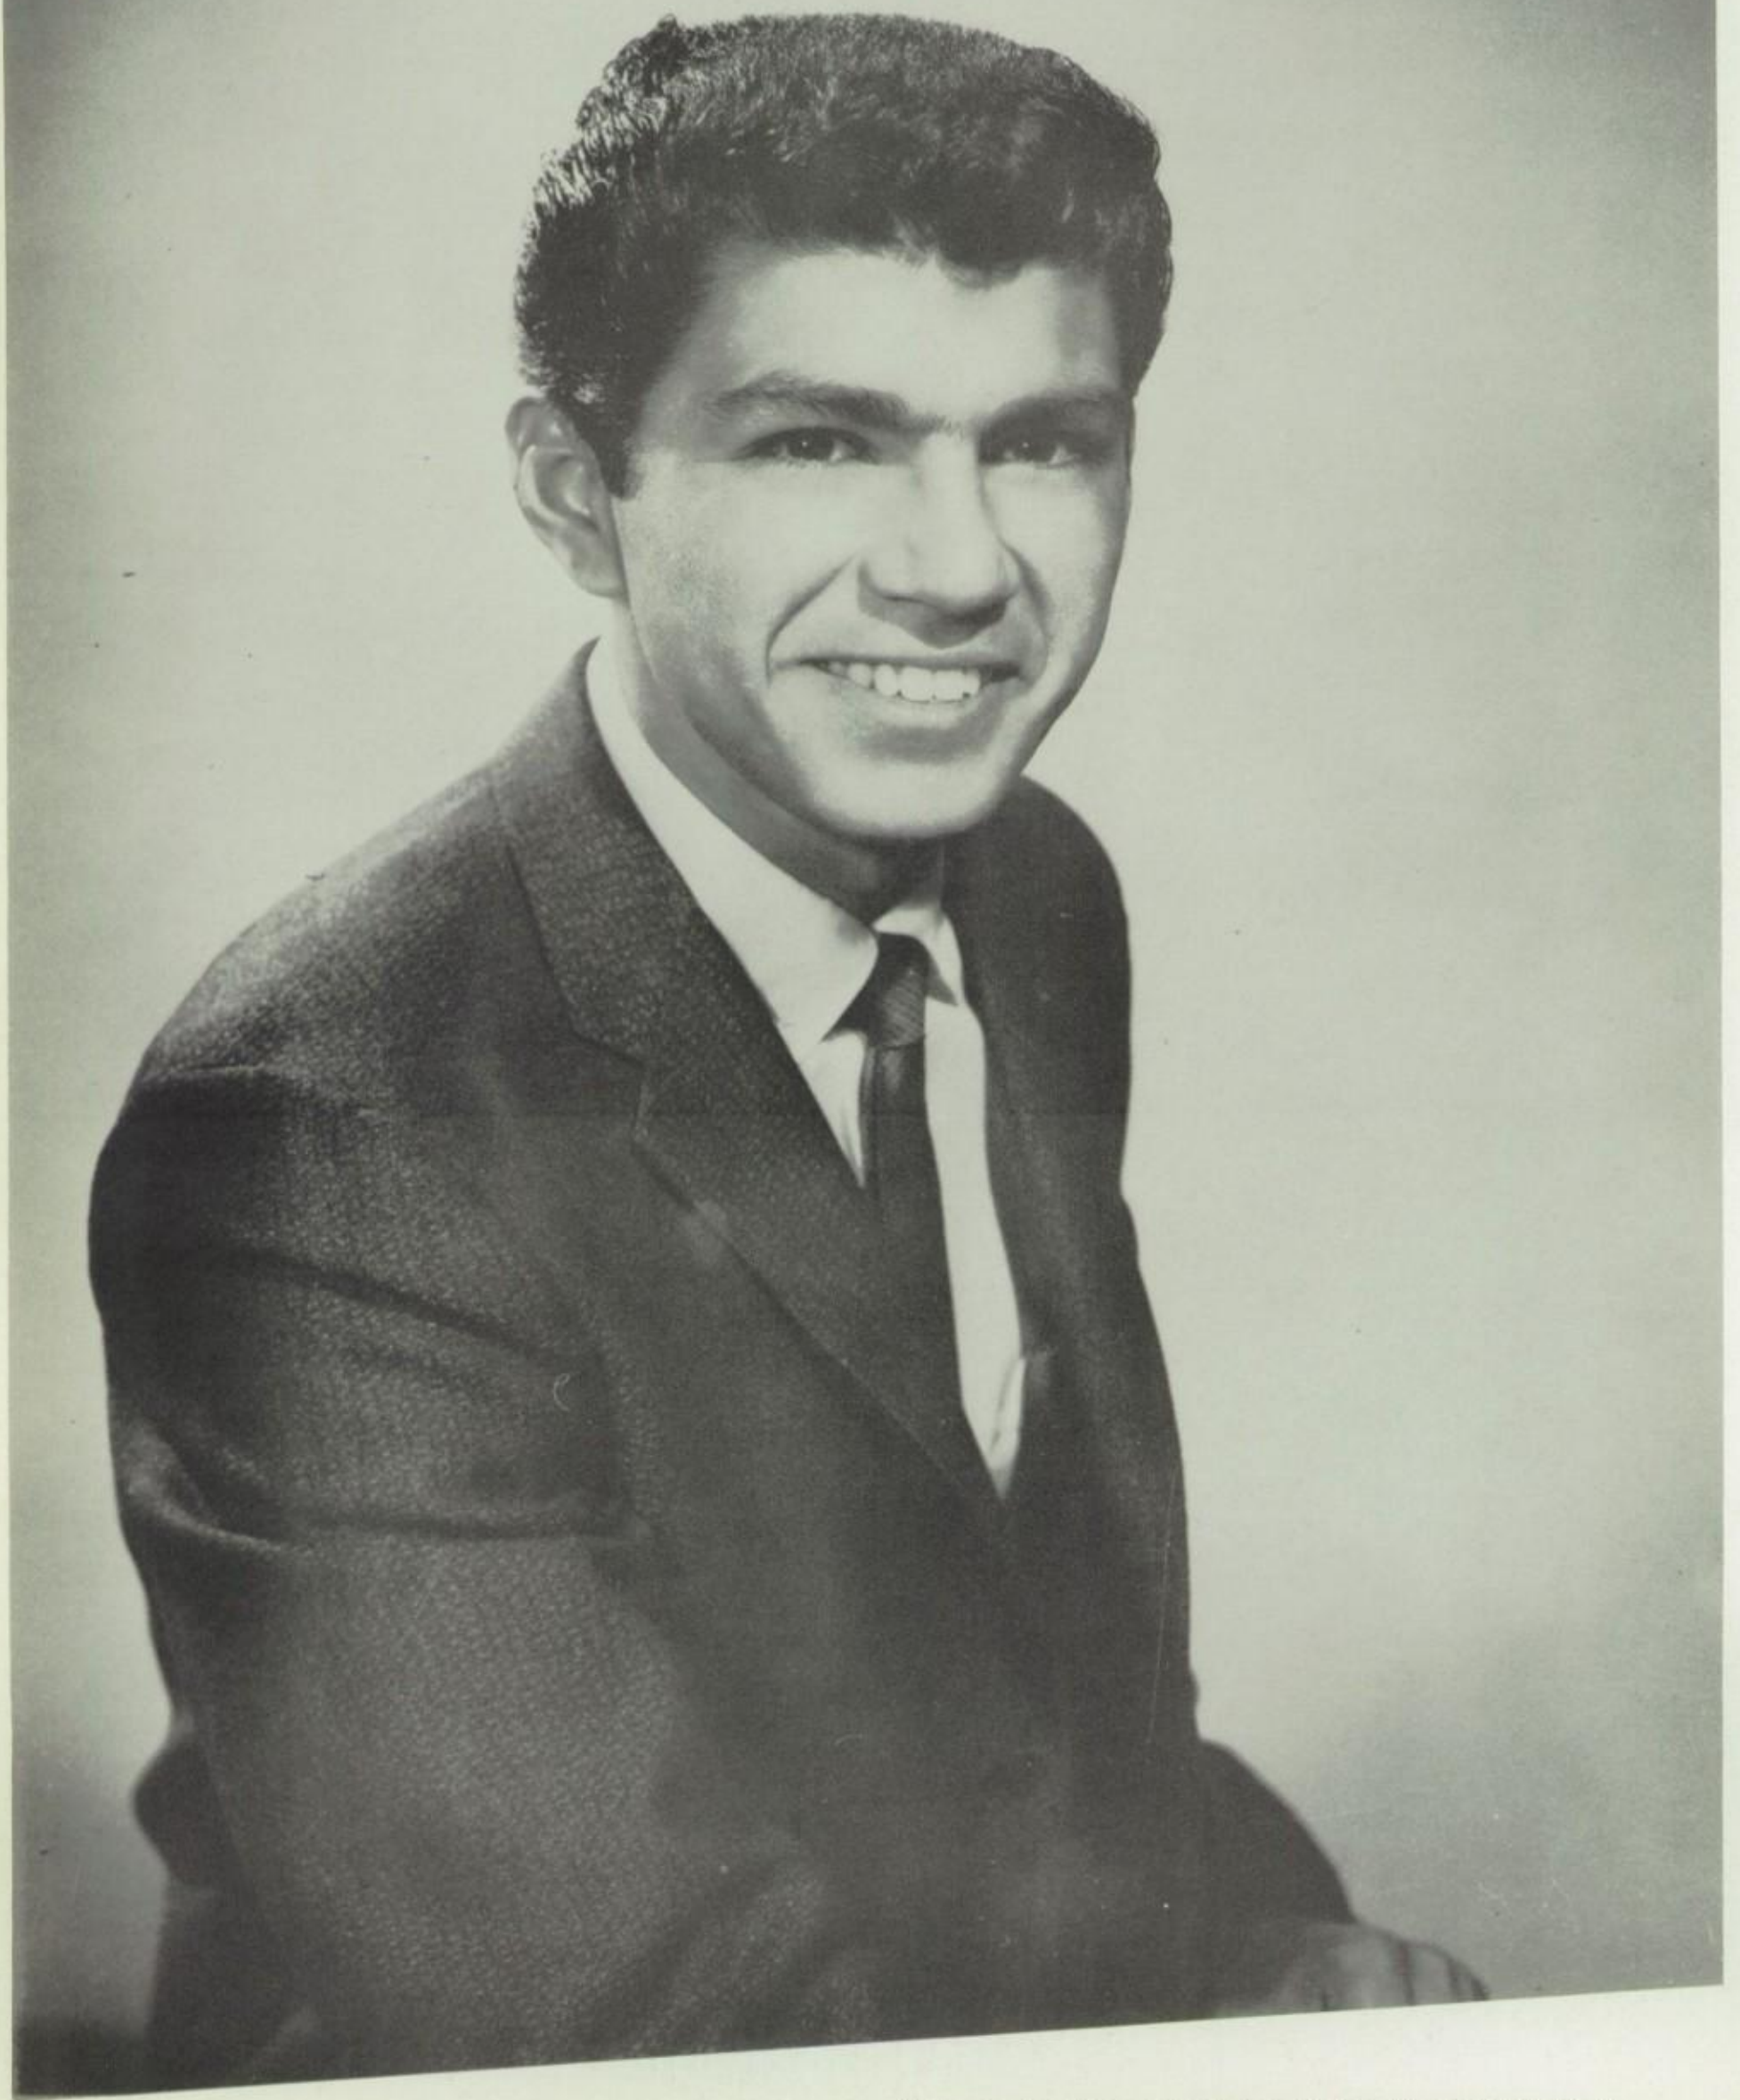

Christmas Formal

This gaily decorated arch dominated the scene of activity.

"The Snowball" was chosen as the theme for this year's Christmas formal. Dick Harding and the All-Stars provided music for the fabulous event. Social chairman Carole Meyers and her committees did an excellent job on all projects. Novel aspect of the dance was the "snow-storm" caused at the very end of the affair.

The annual Highland Fling dance was held in Stirling Gym amid a setting of castles and fantasy. Couples danced to the music of the Hollywood Stardusters.

Fling committees worked long and hard to make the event a success.

Highland Fling royalty and their escorts were: Steve Knott and Paula Nussbaum, Lynn Davidson and Jacque Cothran, Queen Linda Gilmore, King Joe Molina, Lee McIver and Tom Roeck, Patti Wagner and Jim Mitchell.

One of the best football teams La Habra has had in its short history was this year's squad. Clansmen finished the season with a 2-2 record in league play, losing the title to Orange in the last game. La Habra had, perhaps, the best defensive line in Orange County, and undoubtedly the best in the Freeway League.

Bee's

Freeway League Champions

The Clan Bee footballers fought straightway to the Freeway League Championship, assuring a share of the crown by waxing Orange 57-6 in the last game of the season.

Starting by taking the measure of Puente 20-0, this team then scalped arch-rival Fullerton, 27-0. Anaheim proved their first stumbling block, with the Colonists leaving La Habra on the long end of a 31-13 score. Garden Grove (19-7), Don Dominguez (41-0) and Buena Park (33-0) were the next victims. Then came Western . . . and a shocker. Scoring four times in six minutes, the Pioneers posted a 28-13 win over La Habra. Rancho went down (18-13) and then came the shellacking of Orange.

Cee's

La Habra's Cee team copied their Varsity brothers by ending with a 2-2 record in the league. The season's tally, however, showed a 6 win 2 loss record. The Cee's beat Fullerton (7-0), Garden Grove (19-7), Mayfair (27-0), Anaheim (21-7), Buena Park (13-0) and Orange (20-13). Their only losses were to Rancho Alamitos (13-7) and to Western (13-0).

Their record should give Clan opponents pause to think in the next few years.

Varsity Basketball

Don Everett
All conference—second team

Tex Wallis, Coach

With a new coach, Tex Wallis, and a new spirit, plus some new players, the Varsity managed a new thrill for LHHS . . . winning ball games! As a matter of fact, the Wallismen turned in a league record of 5 wins against 7 losses, just one game behind Orange, with the Panthers grabbing second in the Freeway League.

Besides scoring the first wins for a varsity basketball team in two years, two boys also made the All-League team . . . the first duo in La Habra history. Billy Morris was chosen for the first string, and Don Everett for the second string. Morris was deadly on long set-shots, but could also score heavily on his express-train lay-ins. Everett scored by the lay-in route, and his 108 free throws are a school record.

Rounding out the first five were Jack Amon, Mike Vaughn and Skipper Blair, who turned in 132, 171 and 126 points respectively.

All will graduate, except Blair; but with the boys returning next year, LHHS should throw a few monkey wrenches into the previously well-oiled Sunset League machinery.

Don Bryant, Coach

J. V.'s

Coach Don Bryant's Junior Varsity team tied for first place in the Freeway League this year with Buena Park. However, LHHS can't claim the championship because BP managed to beat the Clan twice.

Showing the potential nurtured by Coach Bryant were Tom Canfield (171 points) and Pete Hudson (106 points), both Sophomores. Canfield was the top JV scorer, and Hudson, with his height and strength, was, to quote the local paper, "a vastly improved ball player."

Others who deserve special mention are Ron Wagner, Garan Chuchua, Phil Pierce and John Colman. These boys added to the scoring potential of next year's varsity by hitting for 107, 92, 86 and 60 points. Colman's points, incidentally, were picked up after being moved from the Bee squad in mid-season.

Besides taking the measure of the Freeway League, this team also masticated the faculty in their annual game. Although scoring was not too accurate, the playing was done with an "8-ball" and a beachball, and the refs were horrendous, the JV's toyed with the "old men" and took this latest in the series.

In view of their record and known potential, this team should herald the beginning of the end of the legend that LHHS is the doormat of the Sunset League.

Back row: Tom Canfield, Neil Stenton, Garan Chuchua, Pete Hudson, Ron Wagner. **Front row:** Mike McFarlen, Gordon Brittson, John Colman, Pat Moretta.

Bob Ingersoll, Coach

Bee's

Anybody who gave this edition of the Bees a chance at all in Freeway League play would have been considered either the ultimate in optimism or a completely blinded-by-school-loyalty-radical. And indeed, losing 8 out of 10 pre-season games did nothing to inspire confidence.

But, with Coach Ingersoll waving the wand, magic soon began to happen. First there were none, and then came a team. Rick Rogers (eventual point total 196) sloughed off his 2 and 3 point per game average, Mike Dileo began scoring with his famous "bumble bee" shot, Lynn Davidson started to really get tough defensively, Jim Cook discovered that his height did have advantages in rebounding (his handprints are all over the backboard at Western) and Dale Magda, although never scoring much, breathed fire and spirit into the slumbering giant of the LHHS Bee basketball quintet.

And so the stage was set. Taking Orange twice, BP twice, Rancho once, dropping a one-point loss to Western and then waxing them in a return game by 19 points, the Clan gathered at Rancho to watch another slaughter. The ride home was quiet . . . LHHS lost by 2, 42-40. Then down went Orange and BP again. Western arrived at LHHS needing a win to take the championship. The game was a frenzied affair, but the Pioneers did take La Habra by 3. Rancho was an anti-climax, but the Clan won this last game, making their league record 9-3; good enough for second in the league.

In retrospect, the season was a success. Losing a championship by 6 points is not easy to take, but it certainly is no disgrace. The Bees have but one comment for future Sunset League competitors . . . watch it!

Cee's

Mr. Bill Williamson, Coach

Any Cee team is a huge question mark for the coach. First of all is the problem of having untried boys, and second is the problem of the team learning to play as a unit. Coach Williamson apparently had the answer — the Cee team came within one game of winning the championship this year.

Scoring honors were won by Jungle Jim Greth, who managed to pull away from Bruce Bess in the final game. Bess was the team captain, and a consistent scorer. Don Keller (old step-and-a-half) hurt himself before the Western game and had to sit out two of the contests. His loss was felt both in the scoring column and under the basket. Jack Lichtenstein, who took Keller's position, showed great improvement as the season progressed. Tony Pape was a rough rebounder and had constant hustle. Rounding out the starting five was Steve Strasser, probably the most improved player this year. Strasser started slow-like, but before the season had ended his jump shots from the side made him a marked man for the opponents' defensive units.

In conference play the Cees started off with a bang . . . the last game with Western was a crucial affair. At that point Western and the Clan were tied for first. However, the Pioneers withstood the onslaught of the Highlanders, and ended the hopes for a championship here. Season's record was 13 won and 8 lost, and the final league record was 9 wins against 3 losses.

This team had the possibility of a devastating attack . . . witness their having Rancho 33 to 5 at the end of the third quarter. True, the score ended 39-19, but only after Coach Williamson cleared the bench and had the water-boys playing. Our future opponents in the Sunset League had better take notice.

"Now hold that pose" said the camera man. Seconds later he was wiping the water from his contact lens.

With no league championship to shoot for, LHHS varsity swimmers got off to a slow start after a tremendous water polo season. Individual performances ran high, but a lack of depth handicapped the free-lancers in competition.

Dick Marsh, the highest point getter and fastest sprinter for Coach Polte's aquamen, proved matchless; breaking old school marks in the 50-100 yard free-style at :25 and :56.

Sophomore Bill Hamilton outshone all competition in the 200 yard free-style with a high of 2:07.

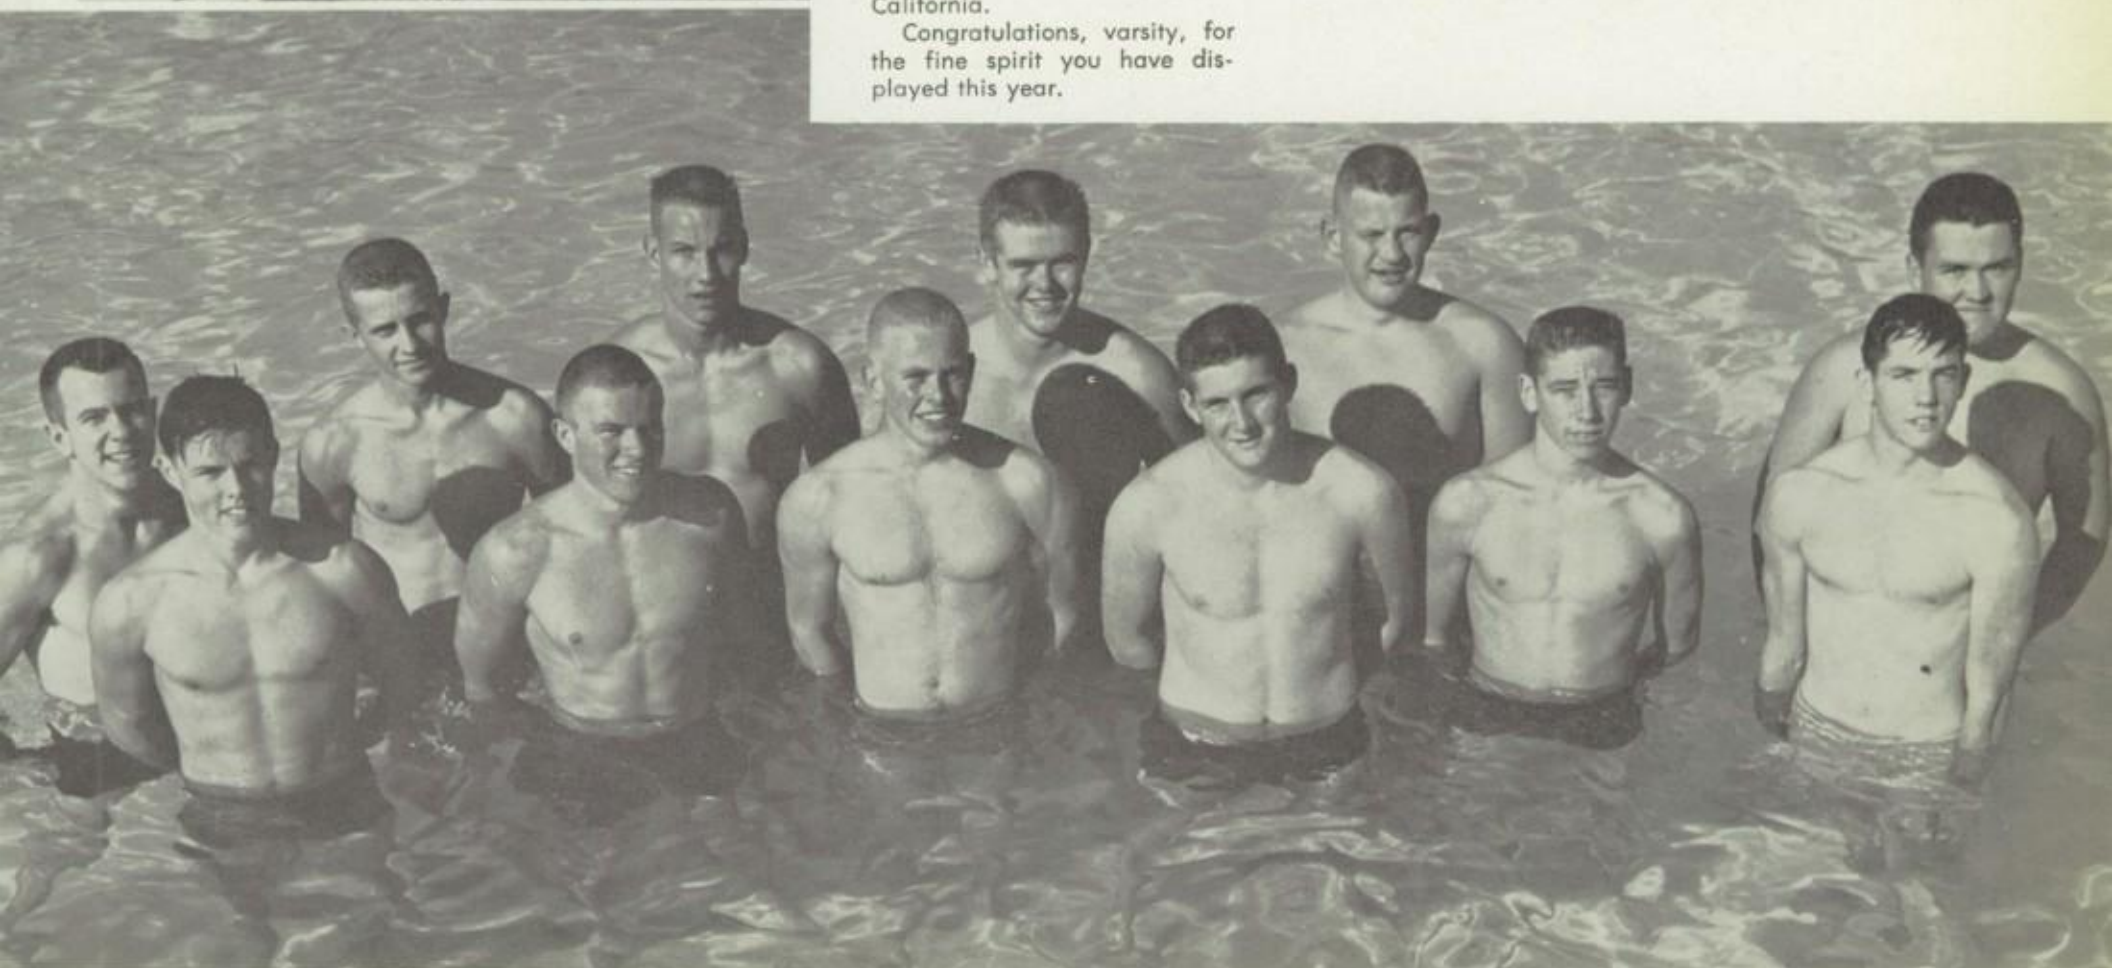

Backstroker Ted Gunn smashed all records at LHHS in the 150 yard individual medley in the spectacular time of 1:09.1.

And diver Dave Veatch was one of the best in Southern California.

Varsity Baseball

Don Bryant
JV Coach

With Coach Pat O'Donnell at the helm, the Clan '59 varsity has been winning the big games.

La Habra, even though very green (with only two seniors on the squad) has had a winning combination. After knocking off Fullerton, a perennial Sunset League powerhouse 2-1, the Clan came back to whip powerful El Rancho 8-6 on first baseman Dennis Manning's grand slam. Three days later they bowed to Santa Fe in the opener of the Kiwanis Tournament 11-5, but came back strong to take the Consolation Championship, by canning Garden Grove 11-4.

The Highlander's have been led by the big sticks of Doug Camphius, Dennis Manning, John Halliday, Manuel Gomez and the fine glove work of Ernie Haines, Billy Morris, Phil Pierce and Skip Blair. The hurlers included veteran Mike Barnett, who hurled a 1 hitter against Buena Park in the League opener, Bill Eagleson and reliefer Victor Berzins.

The Clan JV suffered a few early season set backs, mostly by one run. They came on strong to defeat Buena Park 7-5, and Fullerton 7-6, led by Joey Quesada's two home runs. However, things look bright for Coach Don Bryant's squad, with many of his players to be seen breaking into the Varsity lineup in the next couple of years.

Following in the footsteps of last year's powerful team, this year's mighty track team (at annual deadline time) has shown they will be a strong contender for league honors. By April 1st Pat Moore had tied the 100 yard dash mark of :09.8, and set a new record in the 220 at :21.0. This time was one of the top in the nation. Bill Swift had threatened the 180 low hurdle time with a :19.6, one of the best in the southland. Jim Smith set a new record in the pole vault at 12 feet. Frank Heath and Bob Crapo both tied the record in the 880 of 2:03.0 and Dale Murray and Jim Conlay were both pressing the mile standard of 4:42.6.

This year's Bee track team was one of the strongest in many moons. With such speedies as Ted Daniels, Bill Ruffulo, and Jim Brady, LHHS was well stocked in the sprints and middle distances. • Jim Conlay unofficially broke a long standing record (1956) in the 1320, covering the distance in 3:23.

The common feeling was that the 660 and the pole vault were also sure to fall before long, and that the Bees were shooting for the league crown.

When you think of this year's mighty Cee team, you can't help but think of Darrel Logue. Very seldom had any of the terrific Cee records been broken, and then along came Logue. He ran the 100 in 0:10.3, erasing the old record of 10.5; he set a new record in the 180, broke the high jump record with a leap of 5'10", and had the broadjump record in his sights.

Bruce Bess seemed like a good prospect to break the record in the 660. Other records expected to fall were the shot putt and the 120 low hurdles. LHHS seemed a strong contender for the Cee crown.

Sticking his tongue out seems to give this Clan broadjumper luck.

Darrel Logue passes the baton to Bill Swift during the Varsity 880 relay. These two, plus Pat Moore and Frank Heath, make up one of the fastest foursomes in Southern California.

A good pass and the Cee relay team is on their way.

Managers

This year's managers did a very fine job in helping the coaches in every way they could. Although many people do not appreciate the fact, there is quite a bit of work involved in being a manager . . . keeping tab on equipment, being at every practice, watering down the track, running towels to the teams, and a 101 other things that are not at all glamorous, but very necessary to any athletic program.

G. A. A. Cabinet

Led by Toni Hammer, the GAA cabinet has done an outstanding job in preparing their activities for 1958-59. Credit must also be given to the excellent support of the GAA members. Cake sales were sponsored to provide the funds for their dance, "March Winds." Play days for volleyball, basketball, baseball, hockey, swimming, and tennis were held with enthusiastic spirit shown throughout the year. The annual GAA banquet was featured at LHHS honoring the girls that lettered and to introduce special awards.

Class champions are determined by interclass playoffs. Each class is represented by two teams, first and second. At the end of the playoffs, the class with the highest numbers of wins claims the championships.

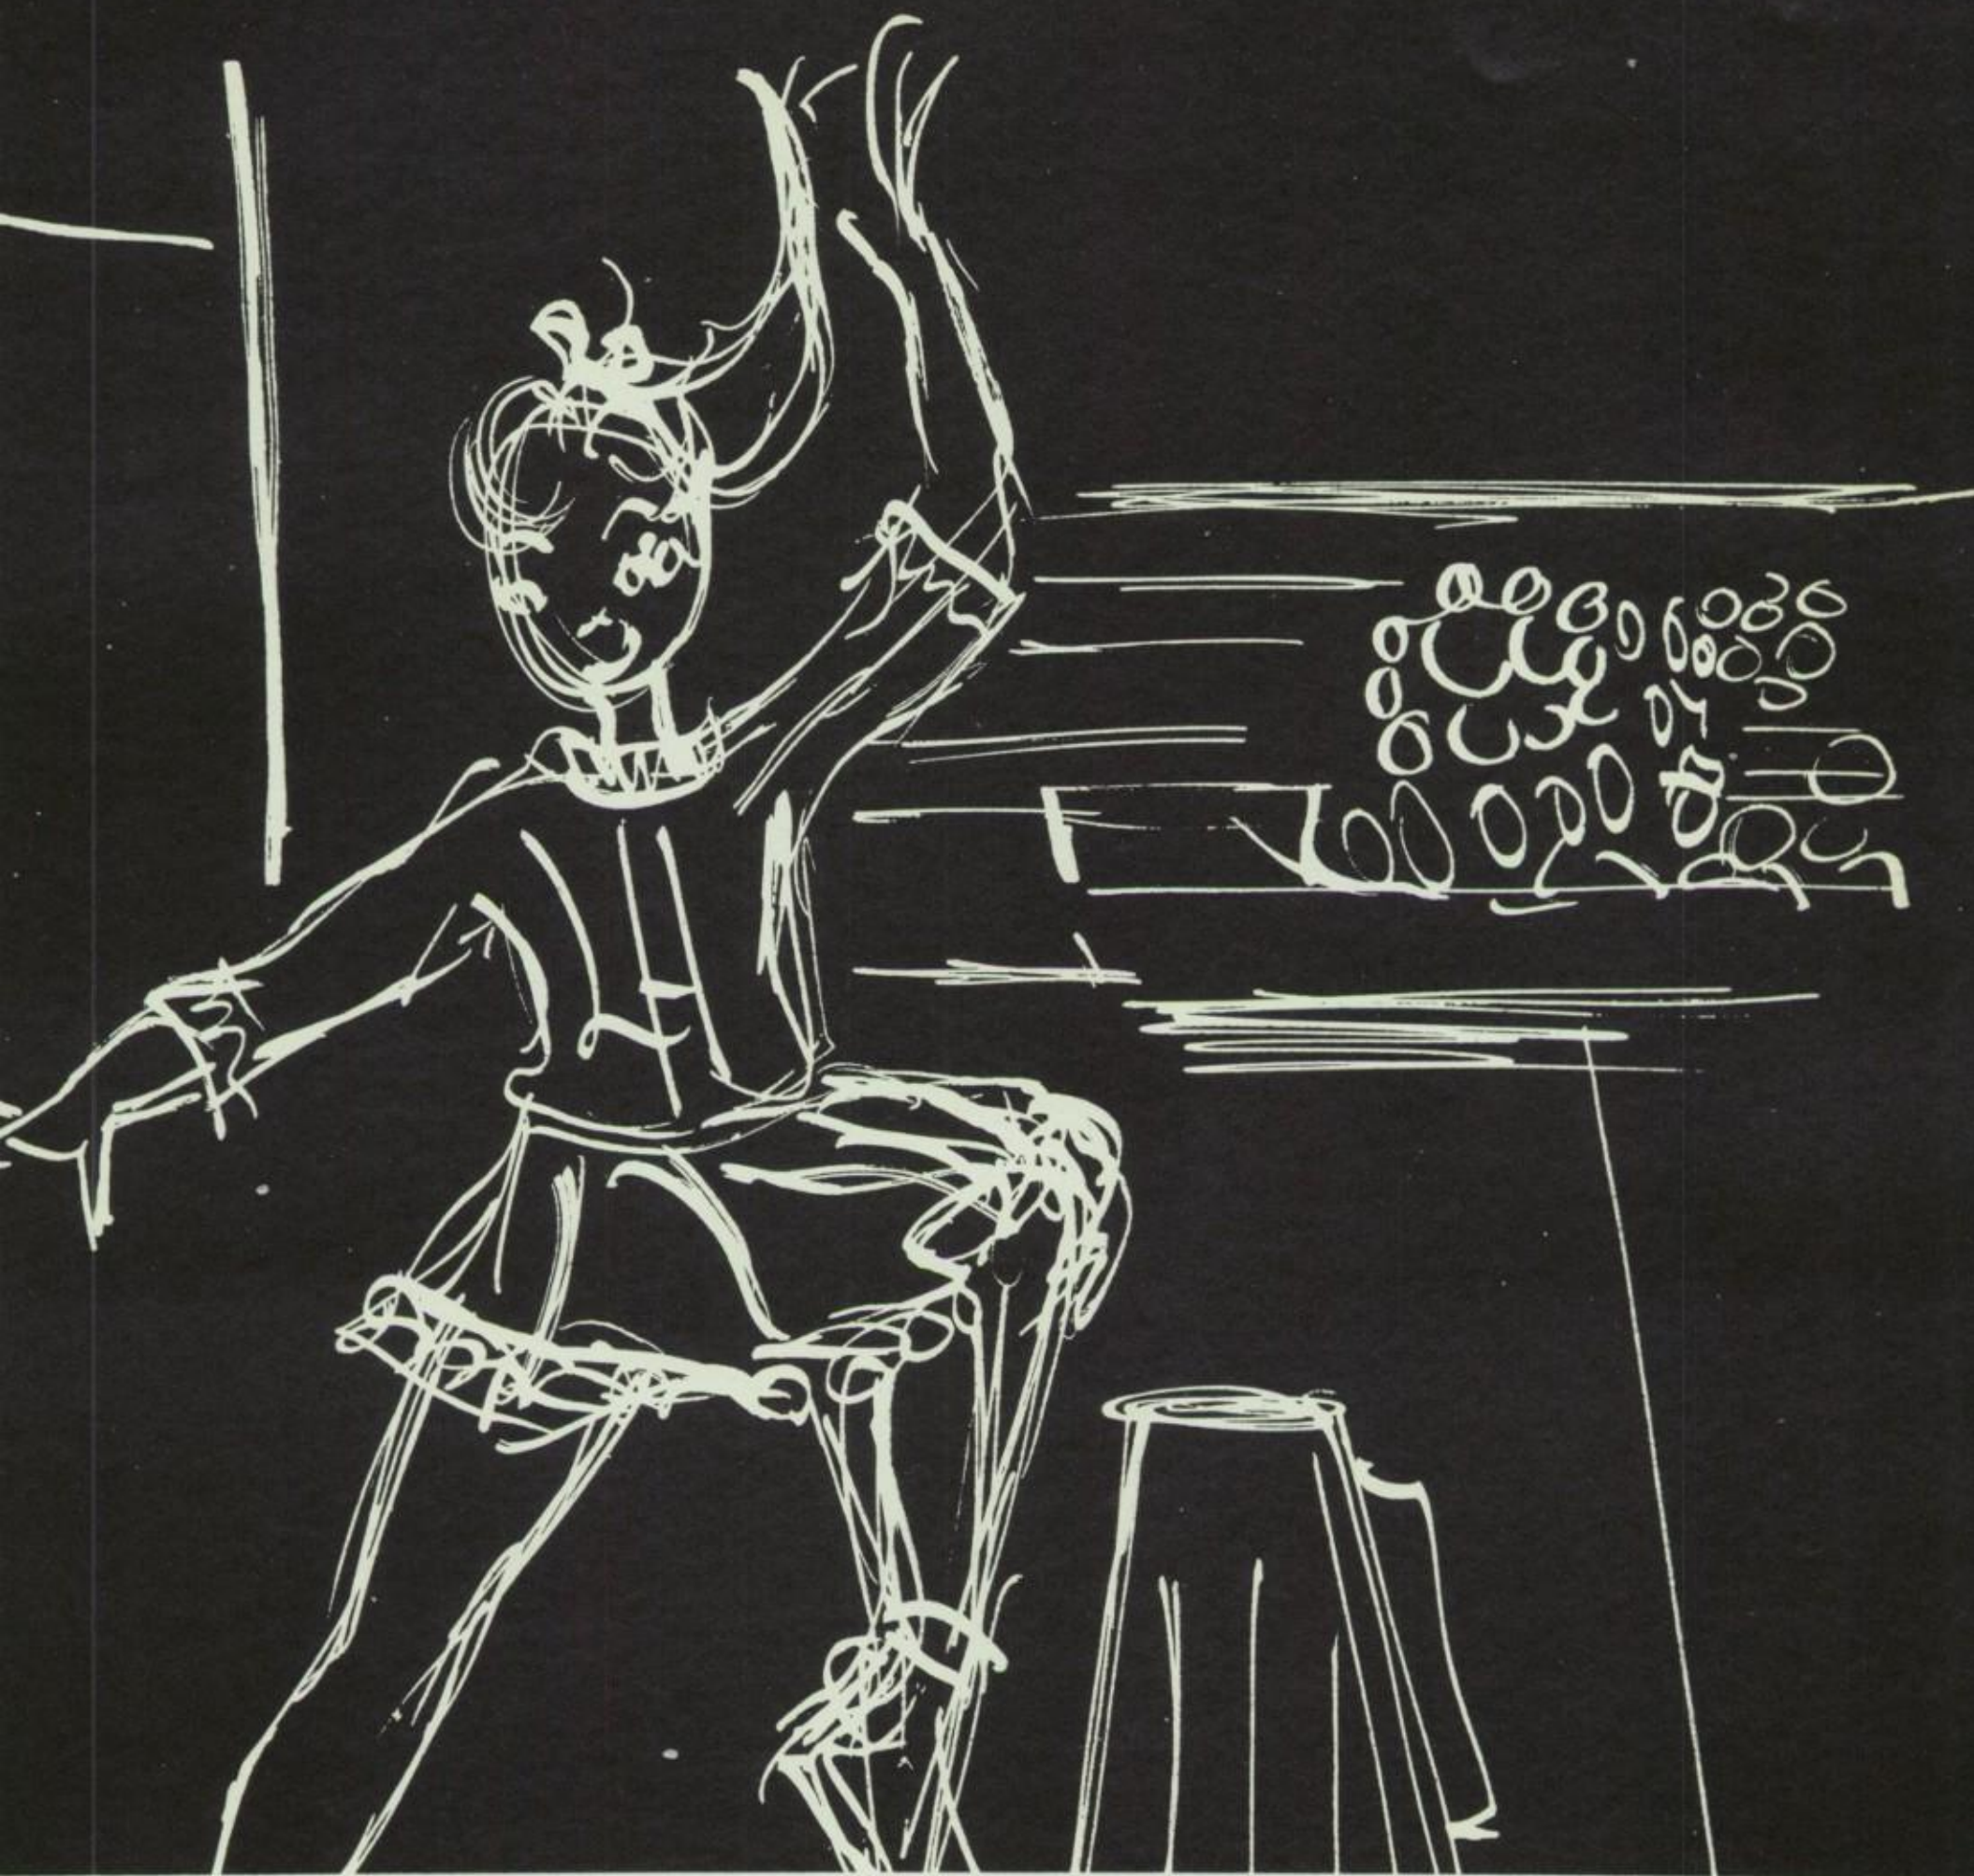

Thanks to Mrs. Ziff, Junior GAA advisor, for all the wonderful times in your class and your confidence in our ability.

Afterwords

Today is the day after Easter vacation, and although we are all tired out, our staff has leaped right in to finish up the remaining work. This is how it should be; this is how it has been all year. You have never failed us or disappointed us.

Our thanks to **Judy Selin**, and **Mary Lee**. Your job was difficult to begin with and the staff didn't help you at all by piling you up at the last moment with copy that was due the next day.

Thank you, **Sharleen** and **Susie** for you really have worked hard making up the lower class section. Your job was also tedious; identifying and putting more than one thousand faces in their right place on the page.

Ardith and **Judy Sime** we tip our hats to you. The way you two changed the usual boring club pages into pages full of fun and memories for all of those club members was wonderful. We certainly did not envy you when it came to the identification of the club members. Thanks again, kids.

Cathy, **Paula**, and **Patti**—each of you deserves a bushelfull of our thanks. The Senior section in our annual is to us and the rest of the Seniors the most important section of the yearbook, and you three have done a really marvelous job of combining all of the memories of the past four years into one complete section.

The activity section of the yearbook is the biggest and perhaps the hardest part to organize. It is difficult because a little bit of everything that goes on around school is crammed into this huge division. The responsibility for completing this task has fallen on your shoulders **Nona**. Although your work was often turned in late, you really did a wonderful job of tying your whole section together.

If it weren't for all of you who worked so hard getting the ads for this annual, we wouldn't have a book of this size, nor for that matter would we have an annual at all. Thanks to all of you for everything that you've done: **Eric**, **Judy Blevins**, **Anne**, **Karen**, **Charlene**, **Mary Lee** and **Judy Selin**.

Bob Crapo, boys sports editor, you were like a breath of spring to this class. Your wit and humor and your ukelele playing and singing was really quite refreshing but you were not always so refreshing—especially when all your work was late, late, late . . .

As a contrast to Bob we have **Stevie**, girls sports editor. Her wit and ready smile were also refreshing; she always got her work in on time, time, time . . .

The art work is of course an important part of any annual and if it hadn't been for the help of **Mr. Henderson** and **Mr. Hallberg** and their art classes, our annual would have been sadly lacking in personality. So thank you one and all.

A special vote of thanks to **Roger Johnson** for the great work he has done in drawing up all the club emblems.

In this annual there are more than 4000 pictures. It was **Bob Bowen**, of Paino Studios, who took the majority of these. If it had not been for this man our annual would have remained pictureless, so thank you Bob. Thanks, too, to **Eddie Johnson**, for hours of work on pictures.

The pictures on the division pages that were taken in Scotland could not have been used without the permission of the **British Consul Service**, and so we would like to extend to them our gratitude.

Mr. Pray and **faculty**, thank you, thank you, thank you. We really did and still do appreciate the cooperation we received in making up this annual.

And last but certainly not least we say THANKS for all your understanding, guidance and effort to you **Mr. Bill Dunton**, our terrific advisor. We and the rest of the class will never forget your favorite saying, "Front and Center". Whenever we felt blue, all we had to do was walk into the back office, walk over to your desk, pick up your lunch bag and laugh. Your Wife's caricatures on your lunch bags were quite the thing . . .

In conclusion we say, it has been a pleasure being Editors of a book that will be held and cherished by you for many years to come.

Sincerely,

Mary Draeger and Sue Voss
